

### HOW TO FIND US:

From the Rotorua city centre, follow signs to the Airport along **SH30**.

At the roundabout turn right onto **Tarawera Road** and keep driving for several kilometres to the **Blue Lake**.

Do not take the first turning for Okareka Loop Road. Keep going until you are past the Blue Lake Holiday Park, and take the **second Okareka Loop Road** turning.

After another kilometre or so, look for the second road on your right, which is **Acacia Road**. Enjoy the view around the lake edge as you pass the jetty on your left.

**Careem** is near the end of Acacia Road on your right. Look for the letterbox with our sign on top.
